**MOTION FOR A ONE-DAY EXTENSION OF TIME FILE A REPLY TO THE
GOVERNMENT'S OPPOSITION TO *DAUBERT* MOTION *IN LIMINE* TO
EXCLUDE TOOLMARKS TESTIMONY**

Defendant, Dzhokhar Tsarnaev, by and through counsel, respectfully requests one additional day to file a reply to the government's opposition to his Motion *in Limine* regarding toolmarks evidence. As reason therefore, the defendant through undersigned counsel states that many pleadings were required to be filed this day by the defense.

While the draft of the reply that is the subject of this motion is substantially completed, the complexity of all of the pleadings, including this reply, made filing of this pleading by the close of business this day impossible. For this reason, defendant requests leave to file replies to the government's response on or before the close of business on December 30, 2014.

Respectfully submitted,

DZHOKHAR TSARNAEV
